## Adamera Prepares for 2020 Exploration Program

**Vancouver, B.C., May 20, 2020 - Adamera Minerals Corp.** (TSX V: ADZ; OTC: DDNFF) reports the company is preparing for a June 1<sup>st</sup> start on its Washington State projects. Adamera in concert with its joint venture partner Hochschild Mining PLC (LON: HOC) are now in the process of hiring personnel and reviewing drill contracts.

Adamera will work closely with Washington based employees, the community and Hochschild prior to launching the 2020 work program. Work will start with a deeper penetrating induced polarization survey on the Oversight, Goodfoot and Lamefoot properties. This will refine and prioritize targets for drilling.

*“Adamera and Hochschild are both very eager to move forward with the program. We have spent the time during the Covid-19 shutdown to conduct desktop studies and to fine tune the program,”* says Mark Kolebaba, President and CEO of Adamera.

We will communicate to investors details of the program in the upcoming weeks. To stay informed on the latest activities please [click here](#).

Please reach out to our Company at any time for updates using [Info@Adamera.com](mailto:Info@Adamera.com). We thank you for your continued support through these unprecedented times.
