**(Video Enhanced) Adamera Initiates the 2022 Exploration Program on the Buckhorn 2.0 Project**

**Vancouver, B.C., May 31, 2022** - Adamera Minerals Corp. (TSX V: ADZ; OTC: DDNFF) announces it has initiated its 2022 exploration program on the Buckhorn 2.0 project in Washington State. Initial work will include detailed target investigation prior to drilling. In addition, ground electromagnetic surveying and soil sampling over parts of the property that have not yet been surveyed are underway. Adamera has applied for permits to drill more than 25 targets.

*“This is an exciting year for the company. We have identified numerous priority targets and the current ground work we are doing on each target is proving to be very interesting. I expect a great deal of news flow as our program progresses,”* says Mark Kolebaba, President and CEO of Adamera Minerals Corp.

Adamera expects to report the findings of each target review prior to drill testing of the target.
